*In the beginning, four years ago,  
we entered a new era in our lives.  
Each of us, all different,  
like pieces of a puzzle about to form.  
In freshman year the puzzle seemed scattered,  
but now, in senior year, the puzzle is almost intact.  
When we first walked through the doors  
the school seemed so large.  
How could it have become so small?  
As a class, despite all that has happened,  
whether it be turmoil or triumph,  
we still come together for the same purpose —  
to put one last piece in this puzzle of life.  
So, on graduation day the puzzle will be done,  
a picture created from many unique and different people  
leading many different lives,  
the complete puzzle for all to see.  
Then, on that very special day, we can say,  
“Look at us — we did it!”*

## Remember

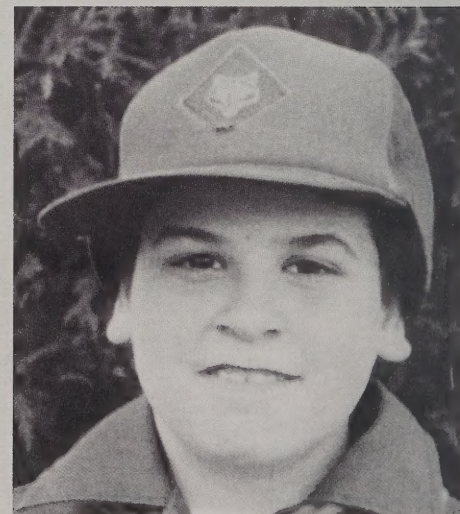

Remember me when I am gone away,  
Gone far away into the silent land;  
When you can no more hold me by the hand,  
Nor I half turn to go yet turning stay.  
Remember me when no more day by day  
You tell me of our future that you planned:  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.

# Class of 1997's Dean: Then and Now

Dr. Nancy Vecchione

"Whatever is worth doing is worth doing well."

Birthday: October 16. Oldest of five children, raised in Douglas, MA; "I have been going to school all my life!" Eastern Nazarene, Bridgewater State, Northeastern. A dream come true: working with young people. Former jobs: TA at University of Chicago; Guidance Director in Rome, Italy; English teacher in Hawaii; former BHS cheerleading coach; family restaurant — Villa Vecchione. I love ITALIAN FOOD, gospel music, Cinderella, Sandy Neck and view of Sunset Hill. "Have a great prom and graduation, Class of 1997! Make people believe in you!"

(Clockwise from upper left) Who's that little girl in pigtails? Dr. Vec had to go through the same thing as we do? Buongiorno from Italy! Mrs. Dumas, our secretary: gone but not forgotten; Dean Vec hard at work in 1996.

BEEJIVEEJI!! Bon-jour, mon ami. I had a good six years. Of all of my friends you were al-ways the stink-iest. And we will al-ways have Ren, Stimpy and M.C.. Good luck. Koonzie, what's up dude? You're so much man there's none left for anyone else! Keep on making those Dairy Queens. Tasha, you mean more to me then I'll ever be able to express. R.R.J., with your abilities I know you'll go far, besides how could a silverback go wrong? Tom, you're better at what you do than anyone else, just don't stay bitter. Katie, you're starting what I just finishedHAHA!

I would like to thank some important people that influenced my years here at Barnstable High. I would like to thank: Mr. Sullivan (Arts & Cartooning), Mrs. Pierce, Mr. Gorril, who made science worth learning, Mrs. Sullivan, Brooks & Dunn, Grateful Dead, White Zombie, and the two best friends anyone could have: a special thanks to Ted Hutchins and Rory Corbiere. Thanks also to Alabama, whose music always blared in both my stereo and my mind.

## Jeremy Lang

Life's plot thickens  
While we get tangled  
in the twisted web we weave  
caught up in the cocoon  
trying to break the ties  
trying to forget the memories  
burning anger deep inside  
a sea of fiery red  
engulfing us  
reaching for the silver-lined cloud  
visions of old  
rushing at us  
penetrating into the mind's eye  
the aftermath of a few moments  
touching upon us  
never to be the same  
so look down onto them  
and remember  
the way things were  
and a deep deep yearning for the past.

# Tom Wallace

Life itself can't give you joy  
unless you really will it  
Life just gives you time and space  
it's up to you to fill it  
— Tom's epitaph

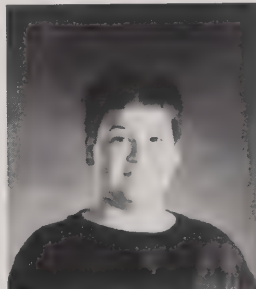

The following was taken from a letter written by Tom's mother to our staff . . .  
We love these pictures. They never cease to amaze us how strong Tom was in spirit and body. I had suggested to Tom that we take some pictures to let his friends and school chums know that he was very much alive and well — in spite of being kept in the hospital. (above; bottom right) Tom thought the pictures were an o.k. idea. When I said let's go *outside* to the secluded garden . . . he flipped! "Mom, are you crazy? We'll get in BIG TROUBLE!" You see, Tom was told that the air on his hospital floor was specially filtered to keep out germs from affecting his compromised immune system and he was ordered not to leave the floor! Imagine what he was thinking when his mother insisted we break the rule here!

The other picture (top right) was taken by one of his favorite other moms — Mrs. Ritzman. Mrs. Robberson and Mrs. Ritzman brought Joe (Robberson), Sam (Ritzman) and Nick (Dorris) up to visit Tom in Boston. It was a fun visit that day. Tom showed them around the place. They were fascinated by Tom's electric bed and drove him into an abyss of going berserk by "playing" with the bed controls.

Mrs. Ritzman and Mrs. Robberson gave Tom the pillowcase. It had a neat design painted on it and a verse which said, "Someone Special Sleeps Here — Tom Wallace."

The few and the proud — the State team

Senior Andy Smith

Senior Steve Jones

Senior Mike Merrill

"Bang!" The gun sounds and they're off — striding through the woods, up hills, around trees, mindless of the inclement weather. Who are they? They are this year's boys cross country team and they finished off a strong season by placing third in the Old Colony League with an overall record of 7-3 and a league record of 6-2. In addition to their great standing in the league, the boys performed exceptionally in their big meets as well, pulling it together to place second in Eastern Mass Championships, and seventh in the States. Coach Don Smith called this year's team "the most competitive and team-oriented group of guys [I have] ever coached." Not only do his guys work hard at practice, running through sandpits and more, but they also put tremendous effort into every single race. And it shows. Not only did this year's team achieve its best dual meet record since 1988, but also added the best league meet finish ever in Barnstable history and the only time the boys have ever qualified for the States as a team.

The Raiders were led by third year All-Star senior Mike Merrill, who finished his season off with a bang by recovering from a stress fracture to place third in the league meet, eleventh at State Coaches, eighth at Eastern Mass, and fifth in the States. "He is a runner with tremendous dedication," said Coach Smith. "Even when he couldn't run, he was there supporting and encouraging his team from the sidelines. He is the epitome of a true captain." This season the team also starred second year All-Star Jake Klim, a junior, who performed well all year and while Merrill was out stepped up to lead the team. The Raider runners were also very lucky this season to have a key addition to the team, freshman John Harty, who is now the third fastest freshman ever to run the 2.9 mile at Hathaway's Pond course.

Together this team has "helped the cross country program to turn a corner and become a power in both the league and Eastern Mass," according to Coach Smith. And with only three seniors leaving, (Mike Merrill, Steve Jones and Andy Smith,) the future looks very bright for the Barnstable boys.

Look out Old Colony League, the 1997 girls' cross country team is going to be hard to beat. Although a young team, the girls had an unexpectedly unbelievable 1996 season. At the start of the season, the girls were unaware of their potential, but by the end, after demanding practices, teamwork and endless training, the team ran its way to the top.

"Running our best to beat the rest" was the team motto and this season they did just that, finishing with an overall record of 10-1 and a league record of 7-1, good for second in the Old Colony League. Unfortunately, the only loss they encountered was in an intense meet against arch-rival Falmouth with the OCL season championship on the line.

However, led by Jessica Johnston, the Raiders moved on to finish third in the OCL championship race. Johnston not only won the race, but set the new course record at Silver Lake. Although the girls did their best, they were still not satisfied. At the beginning of the season they had set team goals and they weren't ready to give up until they were achieved.

By the end of the season, the girls had finished eighth in Eastern Mass, a notch better than last year and placed first among Old Colony League teams, finally beating Falmouth and Bridgewater Raynham, their biggest competition. Finally, they could say, "We ran our best, and we did beat the rest" and all this, despite a lack of senior runners.

Seniors Kristin King and Heather Brigham, newcomers to the team, went down early with serious injuries, and were unable to compete. The only returning senior, Karen Fife, put away her running shoes to serve as team manager. However, the young cross country team was still full of talent. Eventual OCL All-Stars Jessica Johnston and Lindsey Marshall, a rookie runner, had terrific seasons as Barnstable's top runners. This year Johnston, who holds the course record, also set the junior class record at the team's home course, Hathaway's Pond. For good measure, Marshall ran the tenth fastest time ever at Hathaway's. Also consistently placing in the top five were the rest of the varsity — Liz Dager, Jenny White and Neha Dewan, all of whom received honorable mention as All-Stars. In addition, co-captain Erin McLeod, another junior, earned an OCL Sportsmanship Award, a tribute to her positive attitude and enthusiasm. While all the individual awards were nice, Head Coach Mr. Keith Caldwell knew that the season was a team effort. "Everyone on this team improved and became stronger as the season progressed," Coach Caldwell said. "It's really hard to single out individuals because the girls all ran so well together as a team." Before the season began, Coach Caldwell and the team never would have expected to be a 10-1 team. Their expectations soon changed. The girls battled injuries and inclement weather and their dedication shone through. Practices were strenuous, but the training proved to be worth all the hard work. Next year, the girls will return with more experience, and if all goes well, will run faster and stronger than ever.

Words of Wisdom from Coach Doherty

Senior Mark Stevens

"Good, better, best!" This year the boys varsity soccer team kicked themselves into gear and into a great position for the future. They not only improved last year's record, but put together their best season in three years. With only one graduating senior, the future is looking bright, as almost 18 players from this year's squad will be back. According to Coach Dave Doherty, "This team is the most technically talented team that I've seen in the past five years." All of this is good news for the Raiders, since the boys have not made the tournament since 1986 and are hoping to change that in 1997.

Even though this was a rebuilding year, the team racked up many accomplishments. They scored against and twice led the top-ranked team in the state, New Bedford, no easy tasks. Another exciting highlight was the second Silver Lake game, a 2-2 tie and the first point for the Raiders against the Lakers since 1994. Unfortunately, the Raiders dropped both of their meetings with Falmouth, both of them difficult games. In each game Falmouth jumped right on top of Barnstable at the start and made it almost impossible for the Raiders to recover, eventually chalking up 2-0 and 3-1 wins.

Mark Stevens, the only senior playing for Barnstable this year, deserves particular mention, as he had the difficult role of taking over the goalie position from last year's standout, Mark Rose, midway through the season. Stevens, who had not even gone out for the team in late summer, joined up and played outstandingly.

It looks like Coach Doherty's work is starting to pay off. With their spirit and skills and the experience they gained in their best season in years, the Raiders' hopes of making the tournament next year are certainly realistic.

The veterans of the girls soccer team could not have foreseen the success of this year's team. Indeed, after the loss of many strong players last year, the returning players arrived at tryouts questioning the strength of such an inexperienced squad.

They had nothing to worry about. From the first 2-2 tie with powerhouse Silver Lake, the Raiders showed just how competitive they were. Head Coach Mr. Wes Shrum remarked, "For a relatively inexperienced team, we were able to compete with any team when we were focused on our game. Maintaining that focus was our biggest problem with the inexperienced members."

Yet, when the girls were on they were ON! The Raiders always stepped it up against the strong teams: they tied Falmouth at Falmouth in a great game marked by teamwork and determination. Perhaps the best game of the season was the final tournament game vs. Silver Lake. The Raiders battled the Lakers on a cold, wet, stormy night in Kingston in a fabulous game that displayed the Raiders' great communication and crisp passing. When the final whistle blew, the scoreboard read a 2-1 loss for the Raiders, but the girls felt that it was a win. Said senior tri-captain Jolyn Ahnquist, "We were all proud that we could play tough against such a strong team — it was a great way to go out!"

Every team member contributed to this year's successful 9-7-3 record. The defense, led by powerful keeper Kristina Kern, senior Jessica Lesinski and tri-captain Sarah Jay, was strengthened by the play of juniors Danielle Blauner, Julie Young, Meghan Manfredi and Casey Charette. Senior tri-captains Meghann McDermott and Jolyn Ahnquist controlled the midfield with skill and fire, aided by the "Freshman Connection" duo of Jessie Jay and Shelby Nelson. Senior forward Vicki Shalian capped her outstanding career with the BHS girls soccer career scoring record: 58 goals and 25 assists over four years of varsity play. Her partner in raiding the net, Janine Valente, suffered a back injury early in the season and was unable to play, but she proved herself as great a cheerleader for her team as she was a player. Janine's position was skillfully filled by senior Caitlin Mark, junior Katie Cameron and sophomores Erin Danby, Kara Maki and Hillary Chamberlain.

The camaraderie of the '96 team was excellent. Coach Shrum said that he will always remember how "everyone seemed to genuinely like each other." The girls got along on and off the field, and this friendship made the soccer season a blast for all the players. "Vicki, Jolyn, Meghann and I have played varsity together since we were freshmen. It will be tough leaving them and the other girls next year. I will miss them all," said senior captain Sarah Jay. No one on the team would disagree.

Another vigorous golf practice.

Swinging into their '96 season the boys golf team again showed great form. Their main goal, according to Coach Bob Kingman, was to work as a team and not as individuals. A strong team with many promising players with this goal in mind they could not help but achieve another outstanding season. For the sixth year in a row they captured the Old Colony League title, meanwhile running their unbeaten streak to 49 matches in a row before placing fourth in the state championship and finishing with an overall 19-1 record.

The team faced their toughest match against Silver Lake. The Raiders put up a tough fight and made a great effort, but to their disappointment were unable to defeat the Lakers, dropping a close match by a score of 261-263. "It was a disappointing loss, but we didn't let that bring us down," said senior Dan Hedlund. They quickly turned things around and defeated arch-rival Falmouth. This was a memorable victory for the Raiders because it turned out to be such an enjoyable match. Senior Matt Dunning remembers the day well: "We had a lot of fun out there that day. It was a thrill to play at New Seabury. The best thing was there wasn't that competitive rivalry there usually is against Falmouth."

Many of the players sparkled in making individual accomplishments. Sophomore Shawn Kingman was both an OCL and Cape and Islands All-Star and won the OCL Sportsmanship Award. Another sophomore, Lee Dion, was also a Cape and Islands All-Star. Although Dan Hedlund failed to defend his title this year as state champ, he was an OCL and Cape and Islands All-Star.

When Coach Kingman reflected on the '96 season, he said, "We were a very strong team and should have made a better showing at the states, but all in all we had a great time." The long-time coach will miss his three seniors: "Joey Brocato's and Matt Dunning's great scores and Dan Hedlund's competitive attitude all contributed to a very successful season."

Coach Kingman is looking forward to next year. "We will have just as strong a team next year in defending our title as OCL champs."

The field hockey team enjoyed a strong season, finishing second in the Old Colony League and qualifying for the tournament for the first time since 1992. The Raiders entered the tournament with a league record of 6-3-1 and an overall record of 9-7-3.

In her third year as head coach, Ms. C. J. Bernal said that she "found pride and satisfaction when the girls achieved their goal at the beginning of the season." This season's main goals were to make the tournament, to make the tournament to make the tournament. For the senior players, including tri-captains Sarah Grimes, Meredith Dubay and Marykate Moniz, making the tournament was a final and long-awaited reward for four years of hard work and dedication to the sport.

The thought of advancing in the tournament ended when the girls lost to Somerset as the heavens opened up and started freezing rain throughout a messy first tournament game that ended in a tragic 2-0 score. Regardless of this unfortunate event, there are several achievements which the team is proud of.

Early in the season, the Raiders scorched Silver Lake in a 3-0 beating. A few games later at Harwich, the Red Raiders led the Rough Riders in an unexpected and astonishingly close game, holding a powerhouse Harwich team to just one goal until the last two minutes in a tough 2-1 loss.

However, they answered this loss with a thrilling win at Taunton, coming from behind and scoring the winning goal in the last minute and a half of the game.

Goalie Cheryl French saved a whopping 90 percent of the shots on the Raider net. Voted MVP by the team, French was a definite asset to the team's defense along with jackrabbit Melissa Allison. Sarah Paddock took an aggressive stance as she stepped down from the forward line and completed an outstanding first season as a defensive player. Other key defensive players included Kellie Lehane and junior Jenna Klotz.

With the stick skills and drives of links Meredith Dubay and the tumbling Marykate Moniz (who had 11 assists), the girls pushed the ball to the net, scoring 28 goals this season, nine by junior Brooke Evans. Kim Morgan had her share of goals (including two penalty strokes), as did junior Stephanie Tatoian, who took advantage of many scoring opportunities by deflection. Another key offensive player, inner Sarah Grimes, spoke for the team when she said modestly, "The forward line worked well together."

"We started off slow but truly came together in the end," said Sarah Paddock. The team's hard work and ambition brought them together and drove them to success.

"Free pizza at the snack bar!"

Johnson, Burnett, Jones, McWilliams — so tough

If you judge this year's football team on their record and only their record, you would be selling them short. When they lost to Weymouth and fell to 0-4, everyone thought they were through.

Everyone, that is, except those who were close to the team. The Raiders went on a 5-1 streak and made it to .500 for the first time all season. The turning point came against North Quincy, which was 3-0 at the time. The Raiders went up to NQ's home field and beat them in a game that was decided on the defensive side of the ball. Over the four games following, the defense only let up two touchdowns, including only one to B-R, which averaged 35 points a game.

What were the keys to this surge?

"The seniors provided a lot of leadership and gave a historical view of what Raider Pride is," said Coach Spanky Demanche.

The offense was led by senior co-captain Mike Griffin at quarterback, who threw numerous passes to senior wideout Ryan Johnson and senior tight ends Peter Ginnetty and co-captain Adam Burnett. The running game was led from mid-season on by junior Matt Colebourn and his bodyguards in the offensive line: sophomore Mark Milano; juniors Brian Spano, Ben Sproul and Dave Desley; and seniors John Taylor, Pat Dacey and Jeff Jones.

On defense, the line stepped up and proved itself to be one of the best in the league, thanks to seniors Pat Dacey, Jeff Jones, Jared Spang, Dave McWilliams and Adam Burnett, with seniors Donald Card and Ben Nutter adding extra help at defensive end. The secondary was also headed by seniors, including Mike Griffin, Kajo Reis and Ryan Johnson. Juniors Matt Colebourn, Billy Schultz and Mike Ciliberto provided a huge boost at linebacker. Senior Mickey Huse proved himself the number one kicker in the OCL with his booming punts and accurate field goals.

We sometimes overlook the seniors who don't start, but without them this team would not have been what it was. Kevin MacConnell, Chris Johnson, Jason Walsh, Joe Loux, Billy Depaul, Mark Linkewicz and Jemol Jones were leaders, too, lifting the team emotionally and helping to prepare the starters for game day. Three seniors' careers were cut short due to injury, and though unable to play for most of the season, they contributed in their own way. Chris Diagacomo helped out the freshman team by coaching the defensive backs. Marc Schlegel and James Rogers went to every practice and aided the team in any way they could.

BHS once again looked with pride at the volleyball team, which racked up its second straight state title and third in four years. In the process, the Raiders went 27-0 and extended their unbeaten streak to 52 games.

When you think of the volleyball team, you picture a team that thrives on success and achieves it with incomparable teamwork. Just ask Coach Tom Turco, who said, "Our team is always successful, I feel, because the girls are willing to put the team goals ahead of their individual goals." Tri-captain Amy Sipiora felt that some of the team's strongest qualities were the abilities to "step the pressure up when it was needed, the way everyone played a different role on the team with pride and the way we worked together as a team." It was obvious to any spectator watching the BHS volleyball team that this team, aside from all others, had an incredible power to dominate any adversaries. When they were on the court, you could see the rival team crumble under Barnstable's teamwork and individual strengths.

Making enormous contributions were senior tri-captains Lindsay Bateman, Angela DeMartino and Amy Sipiora. "The tri-captains grew effectively into sound leaders and representatives of the program," said Coach Turco. "The highlight this season was our ability to come back from being behind and win," Mr. Turco continued. Tri-captain Angie DeMartino said that some of her most memorable moments included "when the team was given a High 5 on Channel Five News, the interviews on Cape 11 News, the tournament games and the bus rides."

The Raiders had five tough teams to conquer to maintain their state title. First was Brockton. The Raiders bowled over the Boxers 3-0. Bishop Feehan was next: again a 3-0 score. Then it was Dartmouth's turn: 3-0 again. The fourth tournament game against perennial rival North Quincy was a bit tougher for the Raiders: 3-1. The title game was against Dracut at Assumption College, a team that had been a vigorous opponent for the Raiders in the early going. But with endurance and pinpoint accuracy, Barnstable beat Dracut 3-1 to become state champions again.

Tri-captain Lindsay Bateman stated, "Though volleyball season lasts only a few months, the memories we have created will stay with us forever." That goes for BHS volleyball fans, too.

The Barnstable High School Swim team is off to a great start this season. After battling to remain varsity the team has more than proven themselves with an astounding 5-1 record. The Raiders are now in two leagues, the Bay Colony and Pilgrim Conference.

For the first time in four years Barnstable defeated Nauset, crushing the Warriors 91 to 79. "You could really see everyone working hard," said Senior Sarah Jay after the historic win.

Senior co-captain Lauren Hill says, "The team has a great chance to win the league with only Nantucket standing in our way." The team travels to Nantucket Feb. 2.

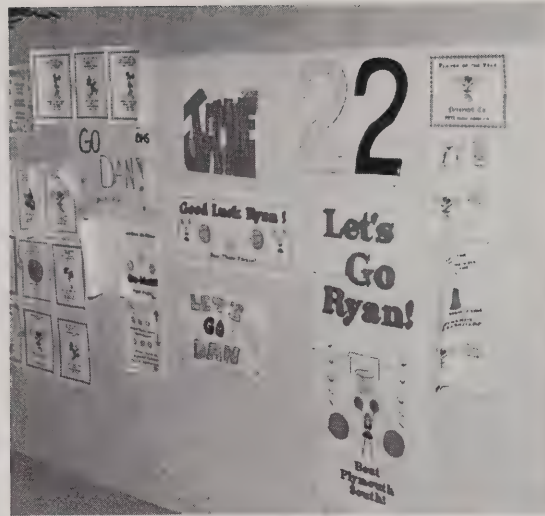

Third-year head coach Barb Knowlton called this year's team "a terrific group of hardworking kids." Many swimmers have already qualified for the state and sectional meets, including seniors Crystalline Firth and Lauren Hill, junior Jessica Johnston, co-captain Bridey Delaney, sophomore John Vandervoort and freshman Jessica Jay. Seniors Laurel Clemence-Schreiner and Jeff Cunningham and sophomores Will Dubiel and Jordan McCarron are close to qualifying for sectionals.

The swim team is looking forward to a winning season and an even more successful post-season.

## LATE FLASH: Raiders beat Falmouth in OT, 75-73!

This year's basketball team is a young squad led by senior co-captains Pete Ginnetty and Ryan Johnson. With three of the five starting positions filled by underclassmen, it would be an understatement to say that the future looks bright.

Despite their disappointing 0-10 start, the Raiders haven't lost heart. Just look at those losses: Three of them (all league games) were by a basket or less. It's a tough start, true, but after last year's tournament berth and the loss of a solid bunch of seniors, the '96-'97 season would probably have been considered a rebuilding year anyway. Still, losses are never easy, especially hard-fought ones.

When asked whether his team is playing to its full potential, Head Coach Kevin Turner responded, "Yes, in some mechanical aspects, but we have had mental lapses that have hurt us." You can't expect them to glitter just yet because of their youth, but the Raiders haven't lost their poise.

Listen to Pete Ginnetty, who says, "There is a lot of pride on this team and there is a lot of heart on this team. I am honored to be captain."

The other half of the team's heart and soul, Ryan Johnson, adds, "There is no one player; it's the whole team. It's all about team unity."

The two have worked hard to accomplish their dream of being basketball captains. Although times have been tough for them and their teammates, they haven't given up on themselves.

The team motto emphasizes their philosophy of team unity: "ATTACK, because we've got your back!" It's a saying the young players will take with them proudly into the future.

## "Together Everyone Achieves More"

The slogan this year's Lady Raiders have lived by. They didn't only live by it, they proved it works.

What's the best way to describe the team this year?

"We have lots of laughs at practice, but in games our true attitude comes out," Carrie Bosworth responds with enthusiasm. It was clear to see that the team's attitude was all about winning as they ripped through their regular season foes with their usual excellent record heading into the playoffs.

The most amazing thing these young ladies accomplished was doing this with two of their five starters injured for most of the season. Junior tri-captains Merrill Lawson and Carrie Bosworth were sorely missed under the boards, but most of the slack was picked up by Sophomore Lauren Knight.

Gisa Barcelos and Keri Redanz were emotional leaders and never let the team put their heads down. They were great TEAM players, and will be greatly missed.

The offense as well as the defense was led by senior tri-captain Vicki Shalian and Junior tri-captain Danielle Valente. They were constantly seen streaking downcourt for an easy layup following one of their many steals. Opponents found out you can not leave these two girls open from outside because of their ability to shoot the three-pointers.

Everyone who is associated with this program is proud of what the Lady Raiders have accomplished. Good luck in the playoffs!!

The Red Raider hockey team is off to its best start in recent years. The season started with a highlight as the team "opened with a win (New Bedford) on the road, both of which had not happened in three years," said senior tri-captain Josh Russett.

At press time the Raiders are 3-5, which is a vast improvement over last year's 0-7 at the same point. The wins have come over New Bedford, North Quincy and Plymouth South, while one defeat came in an excellent 3-2 game with arch-rival Falmouth. Coach John Danby credits the wins to "overall team speed. This year's team has more depth up front and hence more balance."

Leading the way for the Raiders are senior forwards Topher Ross, Adam Proto, Josh Russett and Mickey Huse, senior goalies Dan Hedlund and Jason O'Donnell, and senior Eamon McNamara on defense. Strong juniors include J. J. Friel and Brian Gilmore. According to Coach Danby, "This team is a good group of players that continue to get better."

What's in store for the rest of the season? Senior Adam Proto said the team hopes "to make the tournament for the first time in four years," and Dan Hedlund added, "to have a winning record."

Key upcoming games include the rematch with Falmouth, Weymouth and tournament games against B.C. High and Arlington Catholic. Coach Danby said, "I expect the team to make a run to make the state tournament by year's end."

Here's hoping he's as good a prophet as he is a coach.

This year's gymnastics squad has a lot of goals to obtain this season. Their season has been "excellent" so far, says Coach Francis. The team has only one senior — Jill Renzi, who is the co-captain along with junior Monica Roberts. Coach Francis can only speak highly of his team: "Everyone has a great attitude towards working out and helping each other learn new skills." Some of the team goals include increasing the difficulty of routines, continuing skill development, team scores rising above 110 and last, but not least, having fun.

The team's strongest events are floor exercise and vault. The all-around gymnasts are junior Baily Carinda and freshman Cheri Laquerre. (All-around gymnasts compete in all of the events, whereas the other gymnasts may compete in only one to add a score to the team score.) This year's team is young and they are still building for the years to come.

So vividly I can recall  
That wondrous day that you were born.  
You were so precious and so small  
I wonder where the time has gone . . .

Yet as I reflect upon your life  
Age — a paradox, so it appears  
For you have known great pain and strife  
More than a young man of your years.

But with faith in God, you rose above  
Gave strength to all in their distress  
With compassion and hope you shared your love  
A friend to each, you gave your best.

Then SADD and ECHO became your plan  
In caring for your fellowman  
And now it's plain to understand  
How it is you became a man . . .

We all love you, Pete  
and we are all so proud of you.  
At this juncture in your life,  
we wish you the very best of everything.  
We know you will succeed — you already have.

Remember, it is not important what you  
will become, but rather who you have become.

God Bless

Love,

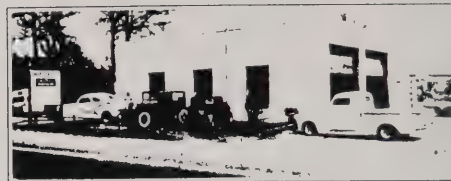

Dad, Mom, Paul, Chris and Anne

Best Wishes to our Graduates!
